How Roundup Ready PLUS™ Corn Incentives Work

PLANT Roundup Ready® Corn 2 or corn with Roundup Ready® 2 Technology.

PURCHASE qualifying herbicides from an authorized Monsanto retailer between September 1, 2011 and July 31, 2012 and apply at the recommended rate (refer to rate chart on cover).

INCENTIVES will be mailed in check form to the retailer selling Roundup® agricultural herbicides. The incentive check will be made out to both the retailer and the grower. Incentive payments for qualifying herbicides will be matched to corresponding Roundup agricultural herbicides.

CONTACT your retailer for details on how to submit your completed incentive program information and herbicide invoice(s).
