Jeff Culwell Named Lewis Hybrids Seed Dealer

URSA, IL – Jeff Culwell has been named a seed dealer for Lewis Hybrids, an Ursa, Ill., based seed company with an expanding presence in Missouri. Culwell, who resides in Hallsville and farms with his parents near Vandalia, will provide seed sales and service for farmers in parts of Audrain, Boone, Montgomery and Pike counties.

"I am impressed with the family atmosphere at Lewis Hybrids, and have been from the beginning. I feel very comfortable knowing I am promoting seed from a great business," says Culwell, who previously worked in real estate. "The seed plant is in close proximity to my customers, so I know I can get seed quickly for them when they need it. I also appreciate that Lewis produces seed for this area in this area, for proven performance."

Lewis Hybrids strives to ensure increased productivity on customer farms through specific placement of regionally-adapted seed solutions that help farmers produce more bushels and higher profits. Special attention is placed on producing the best quality seed, which includes rigorous testing, from planting through conditioning and packaging.

"With our connection to the deepest, most innovative pipeline of genetics and traits in the corn and soybean industry, we are positioned to provide customers with higher yielding, outstanding seed solutions and service, literally one field at a time," says Scott Lewis, brand manager. "Our legacy of service and treating customers like family is at the forefront of our minds every day. We really emphasize each customer's accessibility to our local seed experts and extend a promise of year-round high quality service."

Culwell, who recently decided to re-join his family's farming operation, is planning to become more involved again with the Vandalia community. He also coaches a competitive baseball team for one of his four children. Prospective customers can reach Culwell at 573-999-0134 or jc500864@gmail.com.

Lewis Hybrids is a family-run seed company that has delivered seed solutions and service to northern Missouri, west central Illinois and southeastern Iowa farmers for three generations. Their corn, soybean and wheat seed solutions are backed by the year-round Lewis Service Promise. For more details, visit www.lewishybrids.com.
